Subject: [NOVAChorus] Singing with the Cathedral Choral Society on July 5

The Cathedral Choral Society is looking for additional very experienced singers (especially tenors and basses) for their concert with the American Guild of Organists on Monday, July 5 at 8:15 PM. If interested, please email Catherine Beaucham (cbeau7 [at] Verizon [dot] net). The orchestra is large and many CCS people will be on vacation. Members of the Fairfax Choral Society will be joinin them, too. The music is a very beautiful mass by Paray. See below for the schedule of rehearsals.

AGO Rehearsal #3: Wednesday, June 2, 2010 begins at 7:30 and ends at ? in the Cathedral.

Why the ambiguous ? for end time? Because the number at rehearsals is a little ambiguous with two absences allowed from the piano rehearsals and Reilly will be working to get everyone on the proverbial same page.

End time may vary as the next 5 piano rehearsals unfold. So set aside 7:30-10:00 and a shortened rehearsal can be counted as a bonus. The aim is to prepare the Paray with an outstanding performance in mind.
