My thanks to Maria Rinaldi for pointing out that the Marine Corps Marathon will still be in progress until 3:30 pm on Sunday. They should clear of the Mall and 14th. street by the time we will be approaching Church of the Epiphany. I-395 and 14th. St. should be a safe bet.

Areas of conflict that I can spot include Columbia Pike near or in the Pentagon area; Washington Blvd from Columbia Pike to Rt. 110; and S. Eads Street along Rt. US-1 and Crystal City. All of which is in Arlington, of course.

I've attached their list of street closings.

Once again: Carpooling encouraged. Parking in the underground lot next to the church cost \$8 for our last concert there IF you picked up a voucher. Twice that if you didn't. We'll pick up some vouchers and pass them out in our assembly room in the back of the church. PLEASE have your \$8 in cash and voucher ready when you leave the parking lot. They charge full price if you use a credit card and it takes a very long time to process it.
