Dear Singers-

-Thanks to the great group of women who came to rehearsal today. It helped to assuage the pain of losing so much of Tuesday's rehearsal. We had the added treat of working with Chris and David , and feeling the excitement of two pianos. Wow!

-Below is a chart that shows how I have divided you for Concert III. I have simply formed two equal groups. If, per chance, you have already invested time learning the other part, let me know and I am happy to move you. This is extremely challenging music. Please learn you part outside Tuesday rehearsals.

Yours-DrW
