The Singer Network website is a service of Chorus America. This website is specifically for choral singers.

You can find it at www.singernetwork.org.

Some of the material posted there is available to anyone who visits the site. Other material is available only to subscribers. If you wish to subscribe, Singer Network is offering NVCC a discounted subscription fee of 30% off their customary fee through April 6. I have attached a copy of their flyer describing the website, its services, and the discounted subscription fee offer.
