Subject: ACDA Voices United Conference- Festival Chorus DEADLINE CHANGE!

Hello Everyone,

For those of you who do not know me, my name is Joe Eveler, and I am the Community Choir R&S Chair for VA-ACDA. I am also the chairperson of the 2009 Voices United Festival Chorus, part of the 11th Annual Voices United Conference. Hopefully you have all heard about our registration and application for this choir- it promises to be a great event! We have Dr. David Brunner as our guest director, and we will be performing Morten Lauridsen's "Lux Aeterna" with full orchestra accompaniment. I am sure many of you have already encouraged your choir members to apply, or thought of applying yourself.

I am sending this email to update everyone that the deadline for submission has been changed to APRIL 30TH. This gives you and your choir members a full month extra to prepare the application and audition CD. If this is your first time hearing about this event, then you still have plenty of time to apply! Please encourage all the singers you know to send in an application- if any of you were around for last year's choir with John Rutter, you know what an uplifting experience it was, and I am certain the excitement and artistry will continue this year.

I have attached as PDF files the cover letter and the application, which covers all the information you and your singers need to know. Again, the deadline has been changed to APRIL 30TH!

Thank you so much for your time and consideration. Have a great week.

Joe
