

Come Support Our Nova Finalists Terri
Lago, Sam Howell and Stacy Dumas
on their journey to become our next

NOVA IDOL

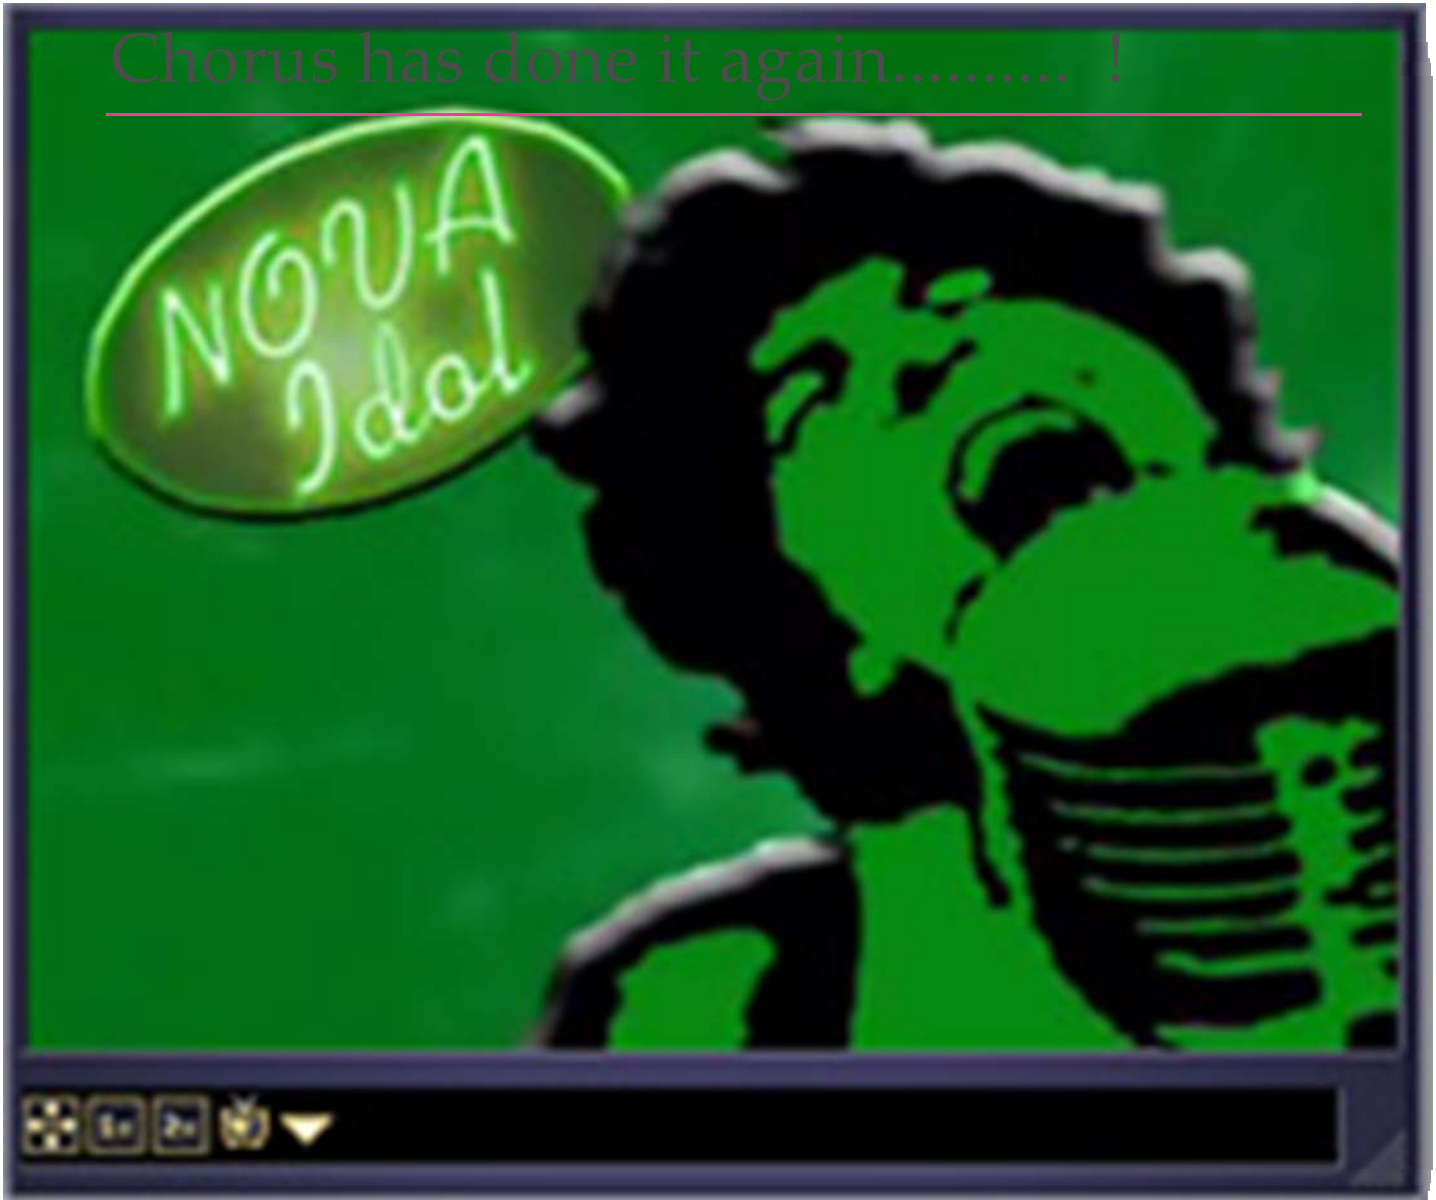

2010

They can do itWith our
support..... Please join me on Friday
January 22nd in our Alexandria Tyler
building in our gym at this year's Semi-
Final Show...

From Susan Bilodeau.... Last Year Nova Idol Winner 2009 : These kind of things can be very scary. Even when one possesses high levels of confidence in our abilities as a performer, singing in a competition and wanting to win is still more important to us inside than we share with the world for fear of failing. Our love, support, and loud applause means more to them than I can possibly tell you. It meant everything to me at the Semi-Finals last year to look out at the audience and see family and friends. It was the best day of my life. (Please e-mail this flyer to anyone you feel would enjoy this show)

I know that Our Alexandria Nova

Chorus has done it again..... !
