Date: February 2, 2011 6:53:15 PM EST

Dear NOVA Chorus,

Sara Dudley Brown and Mary Yee are organizing a reception to follow Dr. Kathy Price's talk at NOVA on Saturday, February 19. (Sara and Mary sit in the soprano section.)

We'll need a wide variety of foods for the reception. Would you like to contribute a dish? Because of lack of kitchen facilities, we are asking that your food contributions be **finger foods** that do not need refrigeration or heating. We will also be serving coffee and soft drinks, and will have ice available. Here are some ideas of what you might consider bringing. **Please let Sara or Mary know if you would like to contribute a dish and what the dish will be.**

1. appetizers – cold only
 - a. cheese platter
 - b. vegetable platter (with or without dip)
 - c. small sandwiches or “roll ups”
 - d. hummus, tabouli, or other dip, plus pita chips or crackers
 - e. other
2. desserts
 - a. cookies or brownies
 - b. cake slices
 - c. petit fours
 - d. chocolate candies
 - e. small cream puffs or éclairs
 - f. small cheesecake "tarts" or slices of cheesecake
 - g. other
3. fresh fruit platter – grapes, berries, sliced apples/pears/oranges

5. soft drinks – large (2-litre) bottles

8. other

Please bring your food dish to the chorus room between 12:45 and 1:00 or between 2:15 and 2:55 that day. It would be ideal if your contribution were already in a serving dish or container “ready to go”, because there is not much time to get the reception together.

Thanks so much.
