NOVA Chorus was tasked with providing at least their share of singers who must stand alongside the seated singers during our two concerts. Mark is away at a conference in Chicago, so we are on our own with this. Make your reply to your section head rather than reply to this note. Note: Debbie P. is not available on Email on weekends.

18 of our Altos will organize themselves into 9 pairs of singers. Each pair will split the task of standing by swapping during the intermission. Your list is at the end of this note.

I need volunteers on a similar scale for the rest of our sections. Work with your section leader now so that we can make our selections during the 10 minutes BEFORE the Call on Saturday. That's at 6:50 PM Saturday. Be early. Remember - coats upstairs or in your car.

Tenors: We believe the following are music majors who may be standing:
Choir 1: Francisco Robles, Christian Jimenez, Chris B. ,Jon DeHart
Choir 2: Jeremiah Jones, Jerico Ortanez, Patrick Kelley. No more volunteers needed.

Soprano Music Majors: Nicole Derksen, Cindy Gossman, Liz Nystrom, Phyllis McKenzie, Shellie Grant. We need at least 10 more volunteers.

Basses: Ray Lombardi and I have volunteered to stand and we are in our mid 70's thank you. Steve Rich is a music major. At least 10 more volunteers are needed.
