

Mark, My Words

I've had some good ideas today

But this isn't one of them

I like what you are doing

But I want more of it

That's good now can we do it better

Awesome

I'll buy that

I couldn't ask for anything more

Which note do you think I liked best

If you know you're behind sing faster

If you weren't here sing what's on the page

I am not convinced

Make it "ooier"

Awesome

I'll buy that

I couldn't ask for anything more

It's in Italian

Sing it so I can smell the garlic

Let me give you a hint

Chris is playing your note

You did some wonderful things... but

Awesome

I'll buy that

I couldn't ask for anything more

If you see me beating very big

That's not a good sign

Watch my left hand

Too much chaos

We haven't peaked too soon

Awesome

I'll buy that

I couldn't ask for anything more

Soprani... no screechisimo

That pink spot on the wall will be your larynx

**You are hanging below the pitch
like a wombat hangs on a branch**

Do what I thought I said

Awesome

I'll buy that

I couldn't ask for anything more

If you had to guess

Was it too high or too low

Guess again

Does the note come sooner or later

Guess again

Awesome

I'll buy that

I couldn't ask for anything more

Take a break

Till the big hand is on the 10

Have a big drink of water

Splash some coffee on your face

Da-da-da-ta-da

Be grateful for a breath

I don't usually allow them

I'll cut off that last note

When your eyes start popping out of your head

Altos sing it like the earth mothers you are

Awesome

I'll buy that

I couldn't ask for anything more

Men and tenors from rehearsal C

On the high notes use your fake voice

Put your hand where your mustache would be

Now sing above the mustache

Make it non-whackisimo

Awesome

I'll buy that

I couldn't ask for anything more

*No breath there
You could have driven a Pepsi truck through that space
You had some very good notes
Too bad they weren't the right ones
Singing the nasal vowels in French is so therapeutic
Awesome
I'll buy that
I couldn't ask for anything more*

*Basses more heroic but beautiful
We're having the wrong kind of fun
Need more rang-er tang-er
Don't flop on that note
If you solo, I'll put your name in the program
Awesome
I'll buy that
I couldn't ask for anything more*

*I know you've all been waiting for count singing again
Clap with me
Sopranos... I mean the other sopranos
Let's hear it for ten fingers Hagan
The glue that holds us together
Awesome
I'll buy that
I couldn't ask for anything more*

*Just one more time I swear it
Look at my arm there's goosebumps
That is the most beautiful we have ever sung
You who give so much and ask for so little
My heart soars like a hawk
Awesome
I'm glad we've had this moment together
Join me for a refreshing adult beverage*
