

## 2010-11 WMPA Membership Program

If you have a love of the symphonic arts and a desire to support live performances in your community, support WMPA and reap the benefits by signing up to receive your 2010-11 WMPA Membership Card today!

### What Are the Benefits of Membership?

All WMPA Members receive a Membership Card that serves as evidence of your commitment to this organization. One of the most popular benefits of membership is free admission to pre-concert lectures given by Dr. Stephen Bertino about the upcoming program for each performance. Membership has other perks as well, including free concessions at concert intermission, free or discounted CDs of WMP performances, and discounts at various local businesses.

### How Much Does It Cost to Become a Member?

A contribution of \$100 annually secures your place as a Member. That said, we will happily accept as much above that amount as you care to contribute! Your additional donations are not only welcome, they are critical to our success.

### Is My Membership Fee Tax Deductible?

WMPA is a non-profit, 501(c)(3) corporation, but you should talk to your tax professional about the deductibility of any contribution. We will, however, provide each Member with a receipt showing the amount, nature, and date of your contribution.

*Ready to get your WMPA Membership Card? If so, send the bottom portion of this form along with a check or money order in the amount of \$100 made payable to "Washington Metropolitan Philharmonic Association" to WMPA, P.O. Box 120, Mount Vernon, Virginia 22121-0120.*
